

## Environmental Protection Agency

## § 35.6105

(OSHA) 29 CFR 1910.120, entitled "Hazardous Waste Operations and Emergency Response," unless the recipient is an Indian Tribe which is exempt from OSHA requirements.

(2) *Quality assurance.* (i) The recipient must comply with the quality assurance requirements described in 40 CFR 31.45.

(ii) The recipient must have an EPA-approved non-site-specific quality assurance plan in place before beginning field work. The recipient must submit the plan to EPA in adequate time (generally 45 days) for approval to be granted before beginning field work.

(iii) The quality assurance plan must comply with the requirements regarding split sampling described in section 104(e)(4)(B) of CERCLA, as amended.

### **§ 35.6060 Political subdivision-lead pre-remedial Cooperative Agreements.**

(a) If the Award Official determines that a political subdivision's lead involvement in pre-remedial activities would be more efficient, economical and appropriate than that of a State, based on the number of sites to be addressed and the political subdivision's history of program involvement, a pre-remedial Cooperative Agreement may be awarded under this section.

(b) The political subdivision must comply with all of the requirements described in § 35.6055 of this subpart.

(c) The Award Official may require a three-party Superfund State Contract for pre-remedial activities.

(d) If the preliminary assessment/site investigation (PA/SI) shows that listing the site on the NPL is necessary, the political subdivision must enter into a three-party Superfund State Contract before any remedial activities begin.

### **§ 35.6070 Indian Tribe-lead pre-remedial Cooperative Agreements.**

The Indian Tribe must comply with all of the requirements described in § 35.6055 of this subpart, except for the intergovernmental review requirements included in the "Application for Federal Assistance" (SF-424).

## REMEDIAL RESPONSE COOPERATIVE AGREEMENTS

### **§ 35.6100 Eligibility for remedial Cooperative Agreements.**

States, Indian Tribes, and political subdivisions may apply for remedial response Cooperative Agreements.

### **§ 35.6105 State-lead remedial Cooperative Agreements.**

To receive a State-lead remedial Cooperative Agreement, the applicant must submit the following items to EPA:

(a) *Application form*, as described in § 35.6055(a) of this subpart, accompanied by the following:

(1) *Budget sheets* (SF-424A) displaying costs by site, activity and operable unit, as applicable;

(2) *A Project narrative statement*, including the following:

(i) *A site description*, including a discussion of the location of each site, the physical characteristics of each site (site geology and proximity to drinking water supplies), the nature of the release (contaminant type and affected media), past response actions at each site, and response actions still required at each site;

(ii) *A site-specific Statement of Work (SOW)*, including estimated costs per task, and a standard task to ensure that a sign is posted at the site providing the appropriate contacts for obtaining information on activities being conducted at the site, and for reporting suspected criminal activities;

(iii) *A statement designating a lead site project manager* among appropriate State offices. This statement must demonstrate that the lead State agency has conducted coordinated planning of response activities with other State agencies. The statement must identify the name and position of those individuals who will be responsible for coordinating the State offices;

(iv) *A site-specific Community Relations Plan* or an assurance that field work will not begin until one is in place. The Regional community relations coordinator must approve the Community Relations Plan before the recipient begins field work. The recipient must comply with the community relations requirements described in EPA policy
